ONMAM Questionnaire Survey result 2021

Challenge and Opportunity

Challenge and Opportunity	Life exploration	> Exploring the personal being and being aware of the mental adaptation
		> Concerns about physical health, mental health, life balance, and time management during retirement life
		> Seeking the calling and living out the purpose-driven life
		> Concerns about the psychological impacts of health deterioration, life, and death
	Lifelong learning	> Have workshops about lifelong learning, learning overcome barriers, effective learning styles
		> Have workshops about the knowhow of transforming the knowledge into actions
		> learning new interests and courses
		> Promoting seminary education to new middle-agers
	Relationship Building and Continuity	> Have workshops about grand parenting
		> Have workshops about mentorship and legacy to the next generation
		> Have talks for new middle-aged caregivers who offer caring and/or personal support to elderlies
	Serving church and community	> Promoting volunteering for cross church ministries, for example, having a volunteer recruitment drive for GLCC
		> Promoting volunteering for the community e.g. OCCSC, local community centers, or neighborhood
	Engaging audience and supporters	> Collaboration with prime timers or new middle age ministries in other cities
		> Open the Q&A platform to let the supporters know more about the ministry of the new middle-agers
		> Regularly distribute new middle-aged family news to the supporters
